# Introduction Activity

---

## **The steps are as follows:**

1. Complete the introductory card by filling in the blanks with marker.
2. For Question #3, you will need to draw an image with markers.
3. Once you have completed filling in the blanks and drawing an image, you will need to hang the completed card around your neck.

## **Interactivity begins once all the cards are complete.**

1. **NO** talking allowed.
2. Stand up and shake hands (mingle) with as many of the other trainees as possible during the allotted time.
3. Make eye contact.
4. Read their card.
  - Try to remember as much as you can.
5. Remember the time limit and once the time is up:
  - Line up according to birthdays going from January to December, taking in to account the chronological order of days within each month.
